**Nov14th 2010 and Dec. 12 2010**

All changes were made to the website and it is update with all meetings times and locations.

No flyers were emailed to Tommy to be on the website as of right now the Forest Area Function on website is the Reach For Recovery New Years Eve Dance. Please forward all flyers to Tommy so they can be added.

James is currently studying up on how to add our meeting schedules as they appear to the website as well as minutes also.

James is submitting a motion to the Area today to change where we get our meeting schedules printed. We can now have the Florida Regional Service Office print our schedules for the same price as where they get done now with this we will be supporting our region instead of outside company. The RSO can also do minutes and other Printing needs. The schedules will be shipped with the literature order each month they are printed then Maria the literature person will bring them to Area. They will also be paid for with the literature order.

In Loving Service

James S, in Tommy G's Absence today.
