Forest Area Literature Report
November 11 2012

Last month we sold 380.48 worth of literature which 45.05 was backordered.

Regional literature order for last month was 472.03

I didn't get a inventory count done this month but will be done for next month,

As well as the 380.48 in literature sold we also gave HnI 75.00 worth of literature and also gave behind the walls group 28.98 worth of literature as well.

One thing I would like to ask the groups is when ordering medallions over 5 years please order them 1-2 months in advance so that you will have them for your celebration. Its kind of hassle getting orders at area for medallions that are needed that month. So please order them ahead of time.

I would also like to thank Maylynn for her continued help she gives me every month at area filling all your orders she is a big help so im saying thank you again to her.

In loving Service

James S

ACTIVITIES

Hello Family!

Wow lots of stuff to report! I will try to stay in order...Thanksgiving sign up sheets are going around. If you or your group can take a spot, please sign up. We need some accountability for the Holiday marathon. The chair and vice chair will be out of town so we need someone to man the marathon. More will be revealed. For thanksgiving there will be biscuit gravy breakfast and we were donated \$50 from a group so we will have a ham and turkey, we will have a meat tray for the opening night. We still need donations for the dinner and food throughout the marathon.

For January we are hosting a scavenger hunt. This will be a free event, a potluck in the park. This will be at Tusawilla Park from 11-2. We will have a speaker and the scavenger hunt. I have the flyer for your approval today. This should be a nice gathering and a lot of fun! And it's free!

We are working on the Love of NA dance for Valentines, this will be on the 16th of February and we are hoping in the Leesburg area. Please check out the activities calendar! There are a lot of events on the horizon, we are planning a campout! We certainly could use some help for this event! We are looking at April 26th through the 28th, 2013. We have a lot of events that we do every year, we would like to do more different events, please call or write your ideal and give it to an activities member, even check out some details, like where when or cost and get it to us, we will see what we can do! Also we are going to try a sign up sheet for volunteers! Please give us your name, number and email if you are interested in helping with events, we will contact you and see if you can up on set up, clean up or certain projects we have in the works!

Thank you very much for allowing me to serve!
In case no one else tells ya "I love ya!"
Hugs to all, kisses to some!
In loving service
June H
