Forest Area Literature Report

January 13, 2013

Last month we sold 370.59 worth of literature plus gave HnI 75.00 worth of literature.

Regional order last month was 462.89

Since we didn't have Area last month and I didn't give a report I did a literature inventory back in December and the total amount of literature we have on hand as of last month was 920.86 which includes the backorders and the literature given to HnI each month.

I will do another inventory this month sometime.

I wanted to get feedback from the groups do you feel we should order the Living Clean book and have some on hand for groups to order a few groups have placed orders for them and they will be backordered and given out next month.

In loving service

James S

Addicted named June

Hello family, this is kinda how it went this past year. We fed over 500 at picnics, we stuffed over 700 eggs, we made a profit at all events, and we worked well with other areas. We tubed down a river, cooked 150 lbs of pork. Had about 44 hours of marathon meetings, changed our meeting time twice. One dance in at least 7 events, no policy changes, no budget changes and we met most months!

We are trying to put together a campout; we are looking to hold more or different events. We are always looking for new members. We have a calendar, we are providing an inventory.

I have had ups and downs. I have cried, lost hotdogs, grew up. Wore big girl panties, had that one time at area that was not so good. I did complete my commitment. I stepped out of my box and I am better today due to this position!

I loved serving you all this past year and as always....

Hugs to all kisses to some

In Loving Service

June H
