FASC suggests that we start looking for a different location to hold the Area Meeting. We are outgrowing the CATS Building. Reach for Recovery suggester St. Marks and the RCM suggests the Belleview Library and The Belleview group will look into Cherokee Park. The matter is table to July and will be discussed further. The Body of FASC will vote on the new location. (*See motion 29/12*)

Hi Everyone,

A real big shout out to June H. Activities Sub Committee, your report is awesome ! Thanks to Tommy G. Web Servant for the history information that's awesome too ! And James your Literature report, as usual, is very nice. Oh cant leave out Amber the Treasurer, thank you. Thank you for your hard work in service. I need an updated policy so I can get clean time requirements to Tommy G. for our website. I gave mine away and I thought I had an extra. I have not been able to get the pamphlets into the hospitals, I have an approval, but the coordinator wants to put them out herself and she doesn't return my phone calls. I would like to just go and put them in the emergency room but I cant per FASC. GSR's, there are so many new ones ! I don't think I mailed the ones I was supposed to, I really apologize, please kick me I need it. In addition GSR's please let me know if I can do anything for you I'll do better next month.

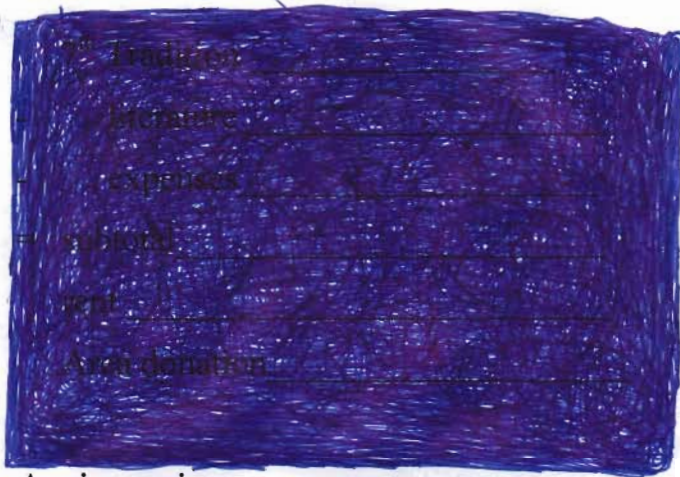

Thank you for letting me serve.

Ann K.

Forest Area Service:

I am doing a written report to notify our Area that rent will be due next month for CATS. I just needed to know if I should pay rent for July or hold off a bit longer to see if we can find another location for our meeting.

Also, I did not include the cost of our meeting schedules on my report because I picked them up late on Friday & used my credit card so I will need to be reimbursed for that expense.

Thank you.

In loving service,

Amber P.

Greetings

FRCNA is coming up fast, so please pre-register if you want to attend. The group discounted rate of \$115 per night will end on June 12th and the room rates will increase.

I would like to re-emphasize the importance of subcommittee chairpersons attending the Saturday Morning Area Support Group on Regional Saturdays. Here is what the RSC Guides state concerning this meeting:

AREA SUPPORT GROUP

The Area Support Group is the opening service meeting and is the first meeting Saturday morning of the RSC weekend. It is a meeting that any RCM, area subcommittee chairperson or other area trusted servants, regional trusted servants or any NA member residing in the Florida Region are encouraged to attend. This meeting is facilitated by the Fellowship Development Leader and Co-Leader with a panel consisting of Resource Coordinators (Helpline, Hospitals & Institution, Technology and Public Relations) with the assistance of members of the RSC Administration Workgroup if needed.

PURPOSE

The primary purpose of this group is to provide a forum that is supportive in order to assist members with basic situations and needs. Anyone may bring forward for discussion an issue that is affecting their area as well as gain support or insight on an issue of interest. They may also use this forum to bring an idea for possible inclusion as a project/workgroup.

It is a meeting where we have the opportunity to share what is going on in our ASC H&I, Helpline, PR and Web, our problems and what is working.

Activities

Hello Family,

What a good day to be clean. Lots of planning going on. We met last week and there was 3 members and I in attendance. I did speak with our new vice chair Michelle and she should be at the next meeting for sure. We had some issue with the dates and flyers. So here it is.... I have a new flyer here today, the only thing different is the font and less pictures. The man on the motorcycle turned out to be a cop! None of us here saw that did we! Also we took off the super soaker, all that stuff is just fluff and ink. I have worked really hard to get a computer and printer to be able to do this stuff. Our secretary has expressed some concern with doing this job and she has not contacted me again so for now I am pulling double duty, and that's ok. We were contacted back by River Coast and they are in with us on both events, so updated is the flyer! I have sent it to them also; we will split the bill to hold the event. We will decide that at our next meeting. I am very excited about this coming summer for activities. I have also done a service flyer for us and have also updated the event calendar for the minutes. I have been in touch with Amber and her and I will do an inventory of all the activities stuff in storage and I am working on a log book for all our events for the next person who comes into office. Can you tell I am excited....

Ok on a personal note. I just want to thank this body for your confidence in me. It has given me a new perspective. I just want to serve this body to the best of my ability! You all make that possible.

Hugs to all, kisses to some!

In Loving Service
