Forest Area Literature Report

October 14 2012

Last month we did not have area but we sold 162.04 worth of literature to what GSR's were present.

The literature order I placed with Region for last month was 223.66

I also did a inventory of literature this month and the count was 912.58 I feel that we need a larger reserve than 650.00 because of all the new groups but its hard to judge what we need when we don't have area each month so I will continue to work on this issue to get an answer.

Hello Family!

It has been a quiet month this month. We are in full gear for the marathon meetings; I have the flyers here today. They are the same as the past 2 years, We have confirmed CATS and are working out logistics for the start time. We are also working on the request from Progressive Recovery for their anniversary dance. More will be revealed. I have the inventory here today and we are requesting our 100.00 budget money for the next two events.

Hugs to all, kisses to some!
