Quorum met 6/7

Open floor

Chris G: February 2024 meeting schedules are ready.

Also, progressive recovery has now added cash app as a way to collect 7th tradition money.

Michael: This pertains to Reach/Summerfield as far as ordering literature. Each group has a right to be autonomous except when affecting NA as a whole. It is affecting our area. Our RSO is going under, thus becoming a violation to our traditions.

Sylvie: It sounds like more than just these two home groups in the whole region are affecting it.

Chris G: There's nothing in our policy that states we have to order through area. It could be added via motion if passed.

Michael: On The motion of holding two positions; has already gone back to groups but can be rescinded by the maker. What's the process of if someone comes along and wants to fill that position?

Jacque: We are in dire need of a web servant. If someone is willing to step up it could help our area.

professional and facilities go on our site and we need to have information readily available to them.

If you would like to view the guide the link is www.resource-marion.org

We are still in the process of scheduling a on line presentation for the Freedom Springs Recovery High school we are in contact with Anna Reed the Executive Director Florida Recovery Schools of Central Florida.

We are also still in the process of scheduling a joint meeting with H & I for the Gateway Foundation who is the treatment provider for the Florida Correction dept.

We provided the Vines with a literature rack and IP's and was informed by Geoff Octjen the Community Liasson that since there is new administration in place at the Vines the in-patient team would like a joint PR H&I presentation and will contacting us with a proposed date for that presentation.

We also have attended the Regional PR meeting January 15th where we had discussions about the upcoming Service Symposium agenda as well as NA's presence on social media where a lot of the other areas have pages on Facebook and Instagram, we are looking into the possibility of doing something like that here in the Forest Area if any one has any experience with social media we need your input so that we can explore the possibilities.

Our efforts to accumulate the contact information for our service providers that the Regional PR subcommittee tasked us to provide them, has been successful and the invitations to the upcoming Service Symposium March 14th-17th, 2024 have been sent out and many of those service providers have already registered for the Symposium, but we still need your help to get the word out that all are welcome to attend this event. I have attached a copy of the letter that was sent out to those service providers to this report. WE ARE ALL PR !!!

Our subcommittee is in the process of recreating and printing new business cards and doing some research for a banner and other resources to assist us in our yearly attendance of the Recovery Fest and the Recovery on the Square and we welcome any input from any of our homegroups.

Forest Area Public Relations/Phone line February 2024

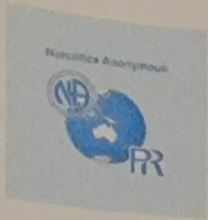

We did not attend the monthly Coffee and Connections meeting last month there seems to be some problems with hosting this event I have tried contacting Stephanie Dwyer from Zero life Hour who is the contact person for this meeting and have not received a response as of yet whether this this meeting is going to be continued to be held, they are normally held the last Tuesday of the month as information becomes available more will be revealed.

We did not attended the monthly meeting of the Marion County Children's Alliance on February 7th due to scheduling conflicts with our subcommittee members.

We will be one of the spotlight speakers for the Marion County Children's Alliance monthly meeting March 6, 2024 at the Mary Sue Rich Community Center at 1821 NW 21st Street Ocala Fl 34475 where we will be presenting a PSA as well as a PowerPoint presentation spotlighting what we have to offer to the addict that is suffering and needs our help to dozens of community based organizations, anyone including our subcommittee members are welcome to attend this event to see Public Relations in action. At the end of the day WE ARE ALL PR !!!!

We will be attending the next Marion County Opioid Taskforce will be held on February 29th 3:30 to 4:30 it is usually held at the Ocala Police Department Community Room at 402 S. Pine Ave Ocala Fl.

We are still looking into getting our information into the Marion County behavioral health Resource Guide upon researching this matter it has come to our attention that if we are going to continue carrying the message of Narcotics Anonymous to these providers with flyers cards that have our contact information directing them to our website the information about the Forest Area should be up to date and available to get the help that they are looking for, although there is a clear path to our help line and a address but the resource guide is asking for email and other contact information that are not available on our web site, as we were not sure how to proceed with providing this information, we attended Florida region leader fellowship day last month and asked for guidance where we were given several suggestions, we could direct them to the regional website for information and if needed they would contact us to provide service to whoever needs our help until our site has been updated with the necessary information, we can request the regional IT team to come and help us with our web site or our area could appoint someone to make the necessary changes, it still is not clear who owns our domain for the website so that we can make those changes to make the website more user-friendly, lets keep in mind that

Forest Area Public Relations/Phone line February 2024

Our Helpline is operating as designed after attending Regional weekend and working with the IT team all issues with the help line have been resolved and all of our members have been successfully integrated into the system, we had 0 missed calls from January 8th to February 9th we had 7 volunteer look up calls, 7 meeting look up calls and 0 meeting lookups via text. WE will continue our efforts to provide those in need of information about our fellowship and where to find us. I have attached a copy of the metrics for our calls with this report.

WE want to thank all of our volunteers for their endless work serving both our subcommittees. We meet the first Monday of the month a 8pm at 511 SE 3rd St. Ocala FL 34471 at the Presbyterian Church All are welcome because we are all PR !!!

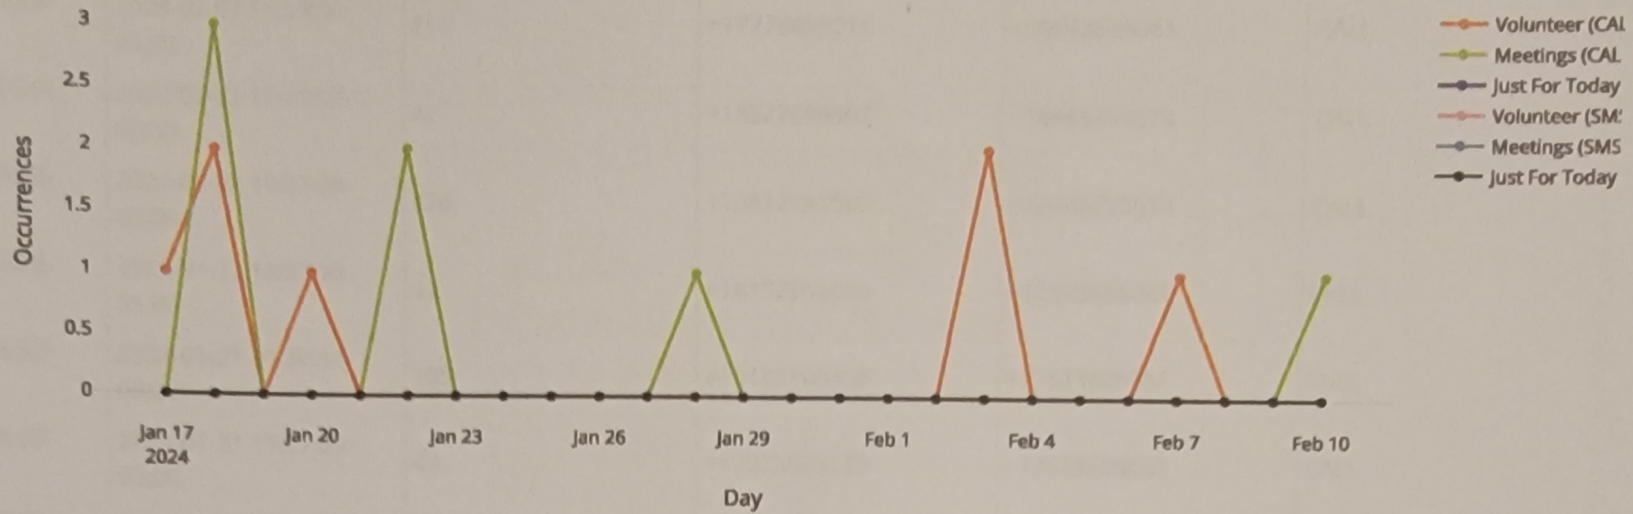

Thank you for allowing me to serve

FLORIDA REGION OF NARCOTICS ANONYMOUS

The Florida Region of Narcotics Anonymous is hosting its
10th Florida Service Symposium

March, 14th - 16th 2024
Sheraton Tampa East Hotel
10221 Princess Palm Ave
Tampa, FL. 33610
(813)-623-6363

"Creating Our Future", is the theme for 2024. This event was specifically developed as a vehicle to expand communication between professionals who may directly or indirectly, render services to people in and/or entering the recovering community.

We are working on supplying CEUs for Professionals who participate this year!!! We should know for sure in the upcoming months and will post it on our website, www.naflorida.org/fss/.

The event held in 2019 was well attended by a wide range of professionals ranging from Addiction Specialists, Mental Health Professionals, Law Enforcement Agencies and members of the Judicial System. In addition to the professionals many members of our recovering community attended this three day event. The demographics of the recovering attendees were as varied as the professionals. The attendees hailed from across the U.S. and outside of this country.

The diverse composite of professionals, along with members of the recovering community illustrates the inspiration of our primary purpose. We invite you to join us again at the upcoming 2024 symposium on Thursday March 14, 2024 at 1pm. Your participation as a contributor in the Public Relations and Professionals' Round-Table discussions will assist us to better work in cooperation with the professional community as we all help individuals in our communities suffering from addiction.

There is no registration costs associated with attendance. We do ask that you please register if you are attending at. <https://naflorida.org/fss/prof-register> Online registration opens December 1, 2023. There will be a schedule of workshops and special events posted closer to the event.

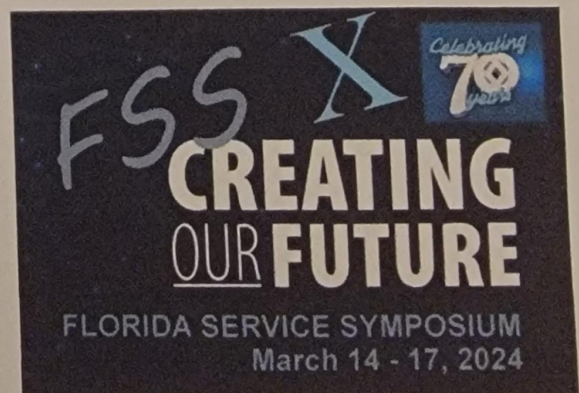

We look forward to your participation and hope to see you at the symposium.

Sincerely,

Florida Regional Service Committee
