James: I'm from First Ocala. H&I, PR, and Helpline meet in the same room as First Ocala. Area has not paid us for the rent on those subcommittees. It is not First Ocala's responsibility.

Michael: We can write the check no problem.

Jacque: Let's get into the solution.

Michael: When you make your area donation, just make it \$10 less. Easy solution.

DJ: Next month's area falls on Easter. We need to take a group vote in new business if we want to meet at a later Sunday.

PR / Helpline Subcommittee Report 3/10/23

Greetings,

The subcommittee met on 3/6/23 to discuss developments with PR presentations. We held a PR presentation on February 28th at Beacon Point for a new Spanish speaking Narcotics Anonymous meeting. Tommy and I were in attendance. The presentation went very well. The Spanish group, as is with most new groups, will be a slow start at best and hopefully gain support over time. A starter kit will be purchased at Area. It will be some time before the group can be recognized at Area as positions for trusted servants are being filled. They had their first meeting this past Tuesday at Beacon Point, Building 3 with 2 members. All went well. We are also in the process of speaking with the Salvation Army contact person for possible future H and I presentations. We have yet to fill the Vines facility at this time. We have been in contact with them and are keeping them abreast of any developments. We were also looking at the possibility of speaking with Interfaith Emergency Services. Sylvie has volunteered to follow up on those calls. As these facilities become available for H and I presentations, our concern is that these commitments are filled and if not, then that would have a negative impact on the Forest Area. Hopefully we will acquire more members who join H and I and various other subcommittees. More will be revealed.

The Helpline is doing alright for now. Our percentage of missed calls increased to 13%. We will work hard to make sure that all calls are answered. Sylvie has offered to be a Helpline volunteer. We will get together in the future to do a mock Helpline presentation. Developments are in play on how to retrieve voicemails (if any). We are also experiencing calls, many of which come in from Gainesville. It was learned that no one is picking up calls from the Uncoast Area Helpline. We will reach out to the RCM to inquire about this. Currently the Helpline volunteers are on call 24 hours. They were asked if they were interested in taking 4-6 hour shifts. Most said they were fine the way it is. All told, we currently have 8 volunteers with 2 Spanish speaking volunteers and 1 potential volunteer.

Our H and I Learning Day is scheduled for June. The date to be determined. We will assist them as needed. There was talk of the H and I subcommittee possibly relocating to another facility. If it becomes effective then PR will lose potential members to its subcommittee. It is our hope that all will come to a consensus on this issue.

Our subcommittees meet the first Monday of the month at First Presbyterian Church at 8pm. We welcome all suggestions. You only need one day clean to be of service. We want to thank all of our service members for their continued support.

In loving service,
PR/ Helpline Subcommittee

Meeting Minutes for the Policy/Guideline Sub Committee

Date of Meeting: March 11, 2023

Meeting Place: 717 SW Martin Luther King Jr Avenue Building 3

Meeting Time: 2:00pm

Attendees: Josh D, Jacque N, David J, and Chris G.

Josh opened our meeting at 2:00 pm with the serenity prayer.

Chris read the 12 traditions.

Josh read the 12 concepts.

Old Business - None.

New Business and Discussions -

Josh has been reviewing the area minutes to ensure all approved changes to policy are reflected in the Forest Area Policy. Once Josh is complete with his review, we will print copies of the policy for all GSR's, executive committee members and subcommittee chairpersons. A section for the Literature Distribution Officer (LDO) with responsibilities and qualifications needs to be added to the area policy. Chris G drafted a section for the LDO position. Josh forwarded it to Mary for her review and did not see any needed changes. A motion will be made at the area meeting on March 12, 2023, to add the new LDO section to be taken back to the area home groups for approval.

Josh announced he will be possibly stepping down as chairperson in July to move into the RCM2 position. David suggested we reach out to area home groups to encourage people to serve on the policy subcommittee.

Our group conscience is to have our next policy meeting on June 10, 2023, at 2pm.

We closed our meeting at 2:40pm.

March RCM Report

Secretary Report - CAR Report results are attached

Fellowship Development - A lot of different areas think that the Social Media pamphlets should be revised. Homegroups, please read over them as a homegroup and anything that you feel should be added or removed (without redundancy), list those things along with the tradition and concept that backs your suggestion. The suggestions will need to be submitted by the April ASC.

NA Learning Day - Regional Fellowship Development team will be presenting two workshops "How to Build Stronger Homegroups" & "How to Chair a Meeting" on Apr 1, 2023 @ 12pm - 4pm. In lieu of a flyer being distributed, I created an event on the Forest Area FB page. Please check your FB and accept/decline our invitation. The FD team would like a rough estimate on how many people will be attending.

H & I - Dan T is our current H&I Resource Coordinator and he will not be staying for another term to fill the position until someone has the willingness. He is willing to mentor his replacement.

PR - Is it possible to give a presentation to Interfaith? I know a staff member there and they're a lot of people that go through there that can use the message of NA.

Tech - YAP is working well and the areas that had issues have been resolved.

Upload your own events to the Region Event Calendar by going to <https://naflorida.org/events/>
Tech still needs an Alt Tech Resource Coordinator.

Corrections - Please read through all of that report. There is a lot of information about how we can carry the message to addicts in the prisons. You can join the zoom meeting that's held every other Thursday from 8-9pm. The next meeting is April 6th. The meeting ID and password are

Motion 9
To approve a three-year World Service Conference cycle on a trial basis following WSC 2023 through WSC 2029. Following 2029, the WSC cycle would return to two years, unless another decision is made.

Maker: World Board

Intent: To put into practice some of what we've learned during the pandemic so that we can shift more resources to work that more directly carries the message. This would bring the WSC resource allocation in line with other changes that have been made in World Services—cuts in staff levels and a 50% reduction in in-person board meetings.

Motion 10
If Motion 9 is adopted, to approve an interim virtual WSC in the middle of the conference cycle for decisions that are legally necessary and those that conference participants choose to address. As was done in the 2020–2023 cycle, material would be posted on na.org under the same deadline policies as the CAT (90 days prior) and all voting conference participants would be polled to choose the items they wish to address.

Maker: World Board

Intent: To allow conference participants to address some WSC business between in-person conference meetings.
