## **BRIDGING THE GAP**

### **Announcement**

The Florida Region fellowship is adopting a new project called "Bridging the Gap". The purpose of Bridging the Gap is to provide a "Bridge" between people reentering their communities from incarceration and their first meeting of Narcotics Anonymous.

**VOLUNTEER ONLINE BY EMAIL**

1. E-mail your contact information to: [BridgingtheGap@naflorida.org](mailto:BridgingtheGap@naflorida.org)

**HOW IT WORKS**

When you volunteer, we ask you to provide your contact information. This information is used to match you to the newcomer. Your information is considered strictly confidential and never released to any other NA member or outside organization. A member of the Bridging the Gap team will contact you and provide some basic guidelines.

When a request for a temporary contact is received, you will get a phone call to see if you are available to help out. You can always decline and we will ask you again the next time. The newcomer's contact information will be given to the first available volunteer.

You will arrange to connect with the newcomer at a meeting as soon as possible. At the meeting you will introduce the newcomer to other members of the fellowship, explain about NA literature, provide a meeting list, and encourage the newcomer to join in fellowship after the meeting. You will make additional arrangements to meet at three or four meetings over the next couple of weeks.

This is not a temporary sponsor program. It is simply helping the newcomer feel welcome and connected to the fellowship. That is all there is to it. Help make this project be a success and volunteer today.

## PR / Helpline Subcommittee Report 4/12/23

Greetings,

The PR/Helpline subcommittee met on 4/3/23 to discuss further issues on facility presentations. We currently have an upcoming PR presentation with Interfaith Emergency Services on 4/27/23 to meet with Jessica from 11am to 12:30pm. More to follow. We are still waiting on Salvation Army's contact to respond. The Vines still has not been able to get an H and I presentation as of yet due to unavailability of volunteers. The subcommittee will follow up on these issues.

The H and I Learning Day AdHoc committee met recently and it was decided to have the H and I/PR Learning Day on 6/24/23 at Beacon Point. Flyers will be put together. The second annual event, "Recovery on the Square", will be held this month on 4/29/23 in downtown Ocala. We've registered for the event. A \$30 fee was required to register as a vendor for the event in which a receipt will be included in this report. The subcommittee will attend in which we will bring a table, tent, lawn signs and literature. We would encourage support for those to attend the event.

We've received a few Helpline calls this month. Missed calls are up by 15%. We are working on trying to obtain ways to retrieve voicemails, if any. Will work with other Areas on how to approach this matter.

The subcommittee meets on the first Monday of the month at 511 SE 3rd Street at 8pm. We appreciate any support from this body to lend to our subcommittees. Please encourage those around you to get into active service and be a part of carrying the message to the addict who still suffers.

We want to thank all of our volunteers for their endless service to Narcotics Anonymous. We also encourage suggestions.

Thank you.

In loving service,

PR/Helpline Subcommittee

April RCM Report

Secretary Report - CAR Report results are attached

Fellowship Development - A lot of different areas think that the Social Media pamphlets should be revised. Homegroups, please read over them as a homegroup and anything that you feel should be added or removed (without redundancy), list those things along with the tradition and concept that backs your suggestion. The suggestions will need to be submitted by the May FASC.

H & I - Dan T is our current H&I Resource Coordinator and he will not be staying for another term to fill the position until someone has the willingness. He is willing to mentor his replacement.

Upload your own events to the Region Event Calendar by going to <https://naflorida.org/events/>  
Tech still needs an Alt Tech Resource Coordinator.

Corrections - Please read through all of that report. There is a lot of information about how we can carry the message to addicts in the prisons. You can join the zoom meeting that's held every other Thursday from 8-9pm. The next meeting is May 4th. The meeting ID and password are
