Quorum met 7/8

Open floor

David J: I'm here representing Boys to men. That home group has not had a GSR due to most of it's members also holds a seat at FASC.

DJ: We have a budget written out (copy's passed around).

We are looking into money that was spent through activities pre-covid and seeing if money was reimbursed.

Michael: Listed off items on above mentioned budget (*said budget sheet will be attached*).

Josh: Policy rent (\$60 per year) is not listed on the budget.

Michael: Our prudent reserve is currently at \$1,300 and needs to be increased to \$1,600 in order to sustain FASC for 2 months.

****Michael read policy on treasurer.**

Michael: The prudent reserve is there in case we were to receive no funds from the Home groups.

Tommy T: I feel that Area should consider creating a Historian position. I brought in a box of old files from Area.

Rob: I would like to touch on Boys to men and why they have not been represented. Would like us to take into consideration allowing them to have a voice.

****Verbal motion for Boys to men to now have a voice at Area made by Reach, 2nd by Spiritual principles - PASSED**

Jacob T: An AA group that owns these tables and chairs will be moving on Wednesday and is willing to sell tables and chairs. If not, they will be placed in storage.

DJ: This is something we need to consider, seeing that First Ocala meets here as well as Area.

DJ to Michael: Would it be possible to purchase these tables and chairs, then have First Ocala reimburse the Area on half of the cost?

David N: I would have to get with our treasurer and home group to come to a group conscience.

Josh: We can't just take money out of budget without it going back to Home groups.

Michael to Josh: I understand what you're saying, but this could be an executive decision because it will affect the Area.

Josh: It is violating the 2nd, 3rd, and 11th concepts.

PR / Helpline Subcommittee Report

Greetings,

The subcommittee met on 2/8/23 to discuss issues with the helpline/pr. We recently purchased a rubber stamp for our literature to be distributed at future PR presentations. Will be submitting receipts as well as for a ream of paper.

So far we are at 2% of missed calls from the Helpline which is telling at best. It shows that the subcommittee is answering most calls. We received a call from an individual who contemplated suicide. Thankfully the volunteer talked them down. At the end, both member and volunteer hung up with the assurance that the individual will be alright. There was discussion on how we handle such calls. At best, all we can do is listen to them and offer support to them. We are not a suicide hotline.

Mending Fences is not getting a lot of group participation during H and I presentations. They do have access to outside meetings. We will speak with the contact person to see if any further H and I presentations are warranted for this facility.

I've reached out to the Vines after learning that they are requesting a community public relations presentation. I'm not sure what that means as we've previously done a PR presentation in the past. We will continue to stay in contact with them to help facilitate such matters. Currently we have 9 volunteers with one Spanish speaking volunteer. We are looking into the possibility of opening a Spanish speaking NA meeting at Beacon Point although it's not confirmed yet. We will make contact with them to corroborate this information.

April 1st will be the date for the Service Awareness Day. We are waiting on information from the Activities subcommittee. We will offer help where needed.

We meet the first Monday of the month at 511 SE 3rd St. at 8pm following the H and I subcommittee. We welcome all comments and suggestions. You only need one clean day to be of service to the Fellowship.
