**Quorum met 6/7**

### **Open floor**

Mama T ❤️: There was a text thread with inappropriate comments. Newcomers are on that thread so please be mindful of that.

Charles D: September 28th is the service symposium. Wondering if I could get financial support to attend as we are part of the zone. It is held in North Carolina.

David J: I don't think our policy has a budget allocation for that. A motion would need to be put in.

Kelly: I was doing the literature order and the taxes for H&I is what is throwing it off.

Chris G: The budget includes the taxes.

Dave W: I will jiggle with the spreadsheet.

Chris G: There's a place to put total in that will calculate the taxes.

Jacque: I got a call from someone in nature Coast. They were wanting to know my thoughts on people from nature coast coming to our area meetings to announce open positions of their area. Looking for feedback.

DJ: There's no right and wrong answer to that. We even have people holding two positions. If we can't even fill ours how can we fill theirs?

Sylvie: Fellowship development would be a great place for guidance.

Jacque: I suggested that. They're next area is during region.

Charles P: Usually I've never heard of another area doing that.

### **Event Board**

We have purchased a corkboard that we brought to Region to have area events posted on. We will be bringing this to future RSC weekends, especially FD Saturdays so that area event flyers can be posted and seen by the attendees of FD who may not otherwise see the flyers. Please bring a paper version of your flyers with you to future weekends to post.

### **Printed Minutes**

The RSO has returned their leased printer which we are told means we can no longer have them print and mail the minutes. As such, we will work to find a new best practice for how to mail printed minutes.

### **Roll Call**

As a reminder, we have made improvements to the attendance tracking you will see in the minutes. This is to more appropriately track attendance. We will track (P) present, (A), absent, (LV) Late/Left Voting, (LNV) Late/Left not voting. Late/left voting will indicate that even though the area was late or left early they were here for voting. Late/left not voting will indicate that the area was late or left early and was not present for voting. We will also now be showing the morning and afternoon attendance.

### **Contact Sheet:**

The contact sheet is going around. Please make sure your information is accurate, if it is not, please correct it. If you are a new or acclimating RCM, please provide the requested information.

### **Reports:**

For all trusted servants who are submitting a report, please make sure your reports are submitted by one week from today, **Sunday, July 28, 2024**, so we have enough time to process the minutes. If you are having difficulty submitting your report, please let us know how we can assist.

In Loving Service,  
Ezra K & Anna C  
Florida Region Secretary Team

## ***Admin Report***

We meet virtually at 8:30pm on the second Monday of every month and if any members are ever interested, you're always welcome to join:

<https://us02web.zoom.us/j/82328960092?pwd=ZWZHSWpMdk2TDBwUjhTN25Sbnk5QT09>

Meeting ID: 823 2896 0092

Passcode: FRSC

## RSC Minutes July 21, 2024

In June and July we discussed following:

- The regional info sheet that ended up becoming the paper that was read from during this weekends' Fellowship Development.
- Talking to the Regional Service Office (RSO) and Florida Regional Convention (FRC) boards about possibly having one of the admin positions within the Florida Regional Service Committee sit on both boards as a liaison to better facilitate communication between the RSO, FRC, and the RSC.
- Liability insurance for RSC weekends. As long as we are under the umbrella of the RSO, all contracts are signed with their name and we fall under their insurance policy.
- The admin body created and staffed a workgroup to look into the RSC incorporating on our own as this would alleviate the issues we've been having with setting up and maintaining bank accounts. Their first meeting will be coming up soon and the AD is heading it up.

The notes from our meetings and upcoming topics can be found here:

After deducting \$10,000.00 withheld for the next RSC, the Prudent Reserve of \$11,000.00, the GSR Assembly Reserve of \$7,000.00, and the Florida Service Symposium Reserve of \$3,000.00 the available balance was \$(465.88). This concludes the 2023-2024 Fiscal year financial report.

On June 1, 2024, the opening bank balance was \$30,534.12. After deposits of \$1,774.52 and expenses of \$1,392.87 on June 30, 2024, the ending book balance was \$30,915.77. After deducting \$10,000.00 withheld for the next RSC, the Prudent Reserve of \$11,000.00, the GSR Assembly Reserve of \$4,550.00, and the Florida Service Symposium Reserve of \$3,200.00 the available balance was \$2165.77. This was not sent to NAWS. As of RSC held on July 21, 2024, we received \$5,112.04 in income and had \$6,116.35 in expenses. Additionally, we allocated the monthly reserve of \$350.00 for the GSR Assembly & \$800.00 the Florida Service Symposium. Therefore, after RSC business the available balance was \$11.46.

### **What are your Subcommittees or Fellowship Development working on?**

Policy - Secretary made changes to Policy to assist Policy Chair.

PR/PI and H&I gave an NA Presentation to the Heads of Westgate Correctional Facility, Prison Farm and the Co-Ed Facility on June 11. Very well received and attendees had no idea the size of NA worldwide.

H&I meetings are supported well. Men's Treatment Center meetings average attendance 3 due to men advancing in the program. Right Living House 8 in attendance. Westgate 2 in attendance. No one in Women's Treatment.

PR/PI is still in process of meeting with marketing department at hospitals for PSA's to be used on TV systems. Still liaison with Region in meetings and also attends local H&I meetings.

### **What events is your Area hosting in the next 2 months?**

Convention meetings held 3rd Saturday of the month. Most positions have been filled. Chair, Vice Chair, Secretary/Treasurer, Hotel Liaison, Entertainment, and Merchandise.

Discussion held with rep from Hamilton Princess Hal Browne. We must confirm room block before Hamilton Princess accepts us as a client. AA lost out because they only wanted their speakers to stay there. Working on theme. Hope to have flyer at World.

Need to organize fund raising. Possibly Boat Cruise in Sept during recovery month and Cod Fish Breakfast.

### **Would your Area like the Region to put on a Workshop or provide support? Please explain.**

Dates 11, 12 and 13 Sept 2026.

### **Comments/Current Issues/Concerns/Questions/Problems**

We have no alternatives in Area and Activities and Treasurer are vacant. Minimum of positions filled at Home Group level and no alternates.

### **What are your Subcommittees or Fellowship Development working on?**

Admin and subcommittees have been updating their policies. Our Area voted for our Activities Committee to be a part of the South Florida Region Rapids Unity Day. The 3 ad hoc committees that were formed as a result of the Area Inventory have been working on various things such as planning a Unity Day/Learning Day event with Activities, creating a Meeting Crashers group to provide support at different meetings that are struggling, holding a GSR orientation before Area, creating a one-page list of all announcements for GSR's to use and researching insurance for our Area. We are also actively trying to form a Fellowship Development Committee.

One of our Thursday night meetings closed due to lack of attendance but a new Friday night meeting just opened. We've been having some issues with inappropriate behavior in meetings and personal grievances which was discussed at Fellowship Development. ## ***Fellowship Development Group***

Fellowship Development had an active Saturday session where we are testing out new placards & table placement and new initial readings. The topics discussed at area support were:

1. Forest - (Trina) Predatory Behavior and not self supporting - one member - ESH on addressing and healing the situation
2. Big Bend - (Meghan) - Unavailability of service workers - lack of trusted servants
3. Greater Orlando - (Gladys) - Respecting each other on the area floor. How not scare away newcomers.

## RSC Minutes July 21, 2024

Effectively using appropriate language in recovery while still setting boundaries and allowing for passionate expression

4. Treasure Coast - (Kristen) - Should the co/vice/alt chair be able to speak or answer questions during their committee report?

Can a area chair tell a trusted servant position they aren't allowed to speak/continue speaking during open forum?  
How do areas typically handle a personal grievance - what is the process when they bring a grievance to the area and how does that unfold

5. Nature Coast - (Barbara) - MAT program - was in orientation - the lady made a comment that they not welcoming NA - how to better instruct people that NA is successful

6. Greater Orlando - (Sam) - How do we get a forum to connect area servants to other area servants -- peer level roles to others across the state

7. Bay - (Ninah) - What is the appropriate way to distribute the 7th trad basket money collected at the homegroup. Is it ok to fund a picnic? buy coffee and snacks? how much should be prudent reserve? how much to contribute to ASC? These questions are coming from GSRs.

8. Space Coast - Homegroup members putting Narcan on the tables in their meeting. Is this OK

Suncoast - (Trish) - Second the discussion of if the distribution of narcan at groups if OK and/or within Traditions?  
(Shahid) - What is the ESH regarding bringing Narcan into a church that is being rented by the group - can it be brought without the consent with the property owner. should they confirm with the church first. What are the lines of accountability in that regard?

## ***Public Relations Resource Coordinator Report***

We would like to thank this Region for the opportunity to serve. Cindy C. has completed not only her PR Resource Coordinator position (2 year term) also her prior commitment as Co PR Resource Coordinator position. I am forever grateful for the opportunity to service and learn from Cindy C. Thank you for your service.

We met with Fellowship Development team virtually on June 14th and July 12th to discuss FRCNA and some topics for discussion for our July RSC.

On July 15th we met with the area PR chairs for our Bi-monthly meeting. We had 11 areas in attendance. All areas shared what their PR committees have been working on and their upcoming tasks and events including any accomplishments and concerns. The Area's PR Chairs shared what events or services their PR committees provided to their communities for PR week in June.

The next Southeastern Zonal Forum (SEZF), PR Task Force Online Meeting meets virtually on July 24, 2024 @ 8pm – 9pm. All members are invited to join, and it is a great opportunity for PR Committee Chairs and Vice Chairs to stay connected and access resources. The meeting information is Join Zoom Meeting <https://zoom.us/j/898667927> Meeting ID: 898 667 927 – you can also go to [sezf.org](http://sezf.org) for all meeting information.

Another wonderful resource for all PR enthusiasts is the NAWS Web meetings. Currently they are meeting quarterly, if you email the below email, you can get updated emails to keep you up to date on when the next meet is scheduled. Public Relations web meetings are a gathering of area & regional PR trusted servants who share their experiences and challenges with PR service; topics are identified by PR trusted servants. For more information or notes from previous meetings, write to [pr@na.org](mailto:pr@na.org).

We attended the NAWS PR Web meeting on July 18th - It was an amazing experience and we learned so much

new information from other PR members from around the world. NAWA let us know that there will be 6 PR Workshops at the World Convention in Washington DC.

Any RCM's who do not have a current PR Chair, you are welcome to join our Bi-monthly meeting. Please contact me if you would like to be added to our virtual meeting group.

If you have any questions or would like additional information, please do not hesitate to contact me at [prc@naflorida.org](mailto:prc@naflorida.org)

In loving service,

Liz B. and Cindy C.

### ***Technology Resource Coordinator Report***

Hello,

All the symposium recordings and PowerPoints are now available on our website under the FSS page. Please keep in mind some of them are not available to issues we had during the symposium so I apologize about that. The website has been updated with the newest guide and orientation booklet under resources. The FRCNA Policy has been added to the website under the Resource tab in the Beyond Region Section. All new RCMs will be getting access to their Region emails in the next couple of days if you haven't already.

As a reminder if you need any help with your websites or emails or have any questions please reach out to me. We also have a member offering their services for website design and maintenance. If you are interested in this please reach out to me directly.

We have positions available on the IT panel. If you are interested please contact myself or HRP for more information. We are also in need of an Alt IT Coordinator. Please make sure your form is up to date and submitted to the HRP if you are interested.

Thank you to everyone for all your help and support while I have been acclimating to this role. I look forward to continuing to grow and serve this region.

In Loving Service,

Pam S.

### ***Corrections Resource Coordinator Report***

Greetings Florida Region,

My name is Colin H and I'm an addict. I am currently serving as the FD Coleader. I served for two terms as the Corrections Coordinator after following in the footsteps of Kris W, Leelah J, and Gilbert O when they held the position. I've served on the Corrections workgroup since 2015 and have done a little bit of everything in that time. I am currently serving the workgroup as the secretary. I share this to say that I am not leaving and I will train any new members who are interested in the Corrections Coordinator position! Since Corrections is not H&I and has considerable differences, it is expected that an interested person serve on the Corrections Workgroup for awhile prior to becoming the coordinator. There is a requirement of 3 years clean time. If you or someone you know is

## RSC Minutes July 21, 2024

interested in joining the workgroup, please find us on Zoom on the second Sunday of the month at 6:30p with the meeting ID of 810 1946 1788 and passcode of 111111.

The corrections workgroup consists of several related projects that serve to bring the message of NA recovery to the addicts behind the walls in the Florida region (which includes Bermuda and Bahamas. We also work with and educate the administration at the state level DOC regarding the continued success of NA to improve the lives of those they serve. Please be aware that working with the DOC will break your ability to stay anonymous as background checks and full names are typically required. We do have roles on the workgroup where you can stay anonymous though.

These top level projects are, Behind the Walls, Inmate Step Working Guide, Bridging the Gap, Hope Rises, and Between the Walls.

The Behind the Walls project handles coordinating taking meetings into and building home groups that exist behind the walls of state and federal correctional institutions. This includes literature delivery to institutions to support this effort. The end game for this project is to have the addicts behind the walls running their own meetings. Depending on the institution, there are varying levels of this occurring. If you are interested in getting involved, please contact me at [crc@naflorida.org](mailto:crc@naflorida.org) or join our workgroup meeting over Zoom every other Thursday evening with the next meeting occurring this Thursday, September 21st.

The Inmate Step working guide (ISWG) group is alive and well and anonymously working steps through the mail with those behind the walls. The group providing this service is based out of the Gold Coast area. The last numbers I received were that around 30 addicts were working steps anonymously with this group. If you want to get involved with the ISWG, please check out the NEW AND UPDATED flyer attached in my report to attend the monthly training over Zoom.

The Bridging the Gap program is also alive and well and addicts are being scheduled to meet those who are getting released at a meeting.

Action item for those reading: Please bring up at your H&I subcommittee meeting to request a liaison be (s)elected to coordinate when someone is getting released into your area. Typically we call the helpline and attempt to get connected that way, but having a direct connection would help and it would provide more understanding about what is going on.

The Between the walls is our program is moving forward. "Between the Walls" means you will be able to chair a Zoom meeting from the comfort of your couch where all the participants are behind the walls at a Florida institution. Please contact me or the workgroup because we need volunteers to do this! I know several of you have told me that the reason you don't want to serve is because of the anxiety of going into prisons, so this is your solution! The pilot location chosen by the FL DOC is NW Florida Reception Center. They are still waiting on literature so the current meeting is with Appalachee CI.

Action item for those reading: Addicts with 1 or more years clean willing to submit a free background check with the state of Florida and join our Zoom meeting from 10a-11a on Thursdays. Even if you can only commit to one a month, we need you!

The Hope Rises Book Project (HRBP) is a Tshirt project where each sale of a t-shirt gets a basic text in the hands of an addict behind the walls in the Florida Region. These books are entirely purchased and shipping coordinated with

## RSC Minutes July 21, 2024

RSO for correctional institution delivery. The Hope Rises project has fully migrated to the Florida Region and we made enough to cover 20 books while at FRCNA. The t-shirts look great and we have passionate members in the group and we on the Corrections workgroup are excited and happy to welcome them to the fold! If you are taking meetings into your local jails or prisons and are being asked about literature or how they can get a Basic Text, please find the Hope Rises Book Project flyer attached to this report to share it with them, the local chaplain, to the programming staff at the institution.

### INSTITUTION STATUS

Lowell meetings continue to occur at the Women's Reception Center, the Annex, the work camp, and the main unit. I'm happy to report that these meetings are going strong and there is a meeting at least Lowell every week! Thank you to the woman who have stepped up to make that a reality!

Lawtey CI meetings are alive and well and being run by several addicts with long term recovery there behind the walls. We are grateful to be able to provide literature for their meetings.

Gadsden CI has reached out to us to re-start the meeting there and we have shipped them some literature.

NorthWest Florida Reception Center is waiting on a literature purchase from the State DOC which is waiting on the RSO to register as a vendor.

I'm happy to say that the Miracle at Madison NA meeting has been regularly meeting twice a month by addicts behind the walls there since it was started by the generous dedication of time and service by volunteers in the workgroup.

An addict recently has gotten cleared in the Forest area and is interested in taking a meeting into Marion CI. He has just completed his fingerprints and has a few decades clean so hopefully we will have a meeting starting there soon.

### HOW TO GET INVOLVED

### HOW TO GET CLEARED FOR BEHIND THE WALLS AND BETWEEN THE WALLS SERVICE

#### 1. Familiarize yourself with the process:

It is a requirement to be registered with the State of Florida Department of Corrections volunteer system as well as complete a background check and fingerprints to attend an NA meeting in person at a prison or over Zoom that is streaming into a state or federal institution.

If the process is confusing, I have attached a powerpoint presentation going over the process that is built and distributed by the DOC. Please contact me if anything is still confusing after reviewing this presentation.

<http://www.fdc.myflorida.com/volunteer/documents/Training-powerpoint-for-Regular-Volunteers-updated-10-4-21.pdf>

#### 2. Apply to be a Florida DOC Volunteer

Florida DOC Volunteer Application

<https://apps.fdc.myflorida.com/VolunteerApplication/volunteer/create>

The DOC has an email problem so sometimes the volunteer forms don't get through. If you don't get an email right away when you submit your first volunteer form, (check spam), then contact me to give you another link to try.

#### 3. Inform the Corrections Coordinator for applicant tracking

Forward the response email you received from the state of Florida when you applied at the link above to the Corrections Coordinator at [crc@naflorida.org](mailto:crc@naflorida.org). You can also text me at 352-642-2680.

#### 4. (Optional: Track yourself in the system:

<http://fdc.myflorida.com/volunteer/Becoming%20a%20FDC%20Volunteer%20Checklist.pdf>)

The DOC has an email problem so sometimes the volunteer forms don't get through. If you don't get an email right away when you submit your first volunteer form, (check spam), then contact me to give you another link to try.

### UPDATES

Flyers for the Behind the walls, Hope Rises Book Project, Between the Walls, Bridging the Gap, and the Inmate Step Working Group are all attached to my report, please print or email them and share them at your homegroups and areas.

#### Tablets!

I have confirmation that the NA literature approved by NAWS is on the tablets at both male (verified at Lake CI) and female institutions (verified at Lowell). I have not verified that the audio version of the 5th edition of the basic text is there yet, but I'm trying to. If you know, please contact me.

The Between the Walls meetings have started and it's every Thursday from 10a to 11a. We need help and

## RSC Minutes July 21, 2024

volunteers to share their experience, strength, and hope with the addicts behind the walls over zoom. Please share this with your areas and groups and distribute the flyer attached to my report at your groups.

We always want to mention and thank the East Coast Convention for their large annual donation of basic texts every year since I've been involved.

## ***RD/AD Report***

RD/AD Report July 21st, 2024

Hello all hope this finds you in good spirits and great health!

We are suggesting you subscribe to NAWS news to get up-to-date information. You can

Subscribe at <https://www.na.org/?ID=reports-nawsnews-nawsmain-m>

That will let you know about all the world convention information and much more we are charging 175. For registration with 25,000 people registered will cover the cost of the event and will allow us to break even. We have been informed that you will get a color code when you register and that is how seating will take place in the main meetings. So if you want to sit with certain people please try to register together or within the same time frame. It is something the convention organizations in DC do. This has nothing to do with us as a fellowship or any rules we are trying to implement.

1. There will be an App for the convention this year on the program and any updated information there will be no paper program this year to save on the cost of printing and updates on changes to program in real time
2. They are also working on more hotel rooms for the nights that have been sold out.
3. If you go to [WCNA.na.org](http://WCNA.na.org) you can upload event photos from your groups or area events so they can share on the videos at the convention
4. We currently have about 12,000 registered already Anthony said it's not looking good at this time because of planning they have to plan for seating and could get overwhelmed with on-site registration
5. They are also asking if you want to donate cool merchandise so they can sell it to email them [www.na.org/wcna](http://www.na.org/wcna)

The WB / Office has put up a volunteer link for WCNA the power of love We need your help so please past this link to all your members that would like to donate some time at the convention. [wcna.na.org](http://wcna.na.org)

We currently have all 4 IDTs available now

1. Gender-Neutral and Inclusive Language in NA Literature
2. Dealing with Disruptive and Predatory Behavior
3. DRT/MAT as It Relates to NA
4. Reimagining revitalizing Service Committees

NAWS financial report is now available to us and I can report between members, groups, areas and the region.

Florida has donated so far the sum of 71,858.

We are grateful that fellowship development is working with us to make sure that you Rd/Ad team can give you all the information on the IDT'S since our agenda in the afternoon is scheduled whit CP meetings took up our

## RSC Minutes July 21, 2024

afternoons. Moving forward for the rest of the year we will be available all day not sure what will happen in January more will be reviled

Upcoming dates for CP meetings are

Sept 21st December 7th

Unfortunately the SEZF meeting is also schedule for December 7th in South Florida I am thinking of doing it online and not spending the money to travel if our Saturday will be tide up with a CP meeting in the afternoon however we will make that decision as we get closer I have still not booked any rooms due to the hotel room block was not big enough and they were all booked. However the facilitator is looking for another hotel and if he finds something then we might consider it.

There is a webinar coming up for web servants on Auges 3rd at 11 am to 12:30 am pacific time that is 2 pm eastern time to make sure that meeting information is easy to find [WWW.na.org/webinar](http://WWW.na.org/webinar)

We are expecting the Interim Car/Cat on Nov 28th with a conference virtually on Feb 28th and March 1st so we will need to make arrangements to get you the information and then you get us the votes more will be reviled in the upcoming months. Carlos and I will start the Planning as soon as we have more details. If I had to guess I would say to make plans to attend the January 2025 region and we will probably do one big workshop and collect votes but this is my opinion. Mostly will be essential business and a vote of confidence will probably be enough We do know that HRP will be having an election however they have yet to revile what position it's for. We will probably have a few motions that are coming out of the work group the Future of the WSC here is a presentation for you now so please RCMs take notes so that you might convey this to your groups and members of your areas.

Also the work has begun on the step working materials please go to <https://www.na.org/?ID=projects&ID=projects> and fill out your survey please ask your members to do the same

The Meeting Locator has been updated and we are asking you to please update your meetings on the BMLT! As you know there was a webinar on this topic and there is a big change so ask your web servant or helpline to please make sure to continue to update your website on meeting information. So no addict struggle to find a meeting in your area.

NA.org website <https://www.na.org/?ID=web-archive>

Carlos and I attended the CP meeting on May 18th yesterday the presenters where HRP. They went over how to identify trusted servants to serve on a world level.

All members that want to be considered should be recommended by their region, zone or world board. And forwarded to the [HRP@na.org](mailto:HRP@na.org)

Reconditions will start on October 1st of 2024 and close sometime in September 30th 2025

We will be in Raleigh North Carolina next weekend for a zonal meeting on July 26th to the 28th the link can always be found on the website [SEZF.org](http://SEZF.org) for all meetings. All go to [sezf.org/zoom](http://sezf.org/zoom)

Also as we preparing for the conference Interim we need you to please fill out your area inventory by November. So that Carlos and I can start our report for the World Service Interim Conference

The secretary will have it for you in September.

## **HRP Report**

The panel met several times via Zoom since the May RSC. We interviewed a member for the H&I Resource Coordinator who was voted in today, a member for the Public Relations Resource Co-coordinator position, and a member for the Alternate Treasurer. Both will be attending the September RSC.

The panel remains busy reaching out to everyone who has filled out a volunteer form and does not currently hold a position on the RSC floor. We started from the oldest received and are working our way to the current. Once we are through the current we will be reaching out to any new volunteers within 2 weeks of receiving their information.

As per the request of the Coquina Coast RCM II, we currently have 150 active members in the volunteer pool and will continue to include this number as part of our report. Keep in mind that not everyone who is a member of the volunteer pool meets the requirements of open positions or has the willingness to be on the floor of the RSC in an elected position. If you or someone you know meets the qualifications of any position and are willing to be a part of regional service, please have them contact a member of HRP via telephone or email [hrp\\_leader@naflorida.org](mailto:hrp_leader@naflorida.org). Remember this is a "WE" program!

I would like to apologize for the confusion that took place during the FRC elections. I misunderstood the text message received from the FRC President. We will be contacting the 3 candidates by July 29th to set up their interviews.

As per our Guide, at the July RSC, we are responsible for having the new Guide to Florida Regional Service which includes all the Guide changes that met consensus from January 2023 through May 2024. It has been emailed and hard copies were handed out today. The total cost to print 36 copies was \$271.78 and is within our budget.

Several small items in the new Guide are not correct. To be prudent with NA funds we are asking everyone to correct their printed copies of the Guide; on page 24 cross out all of Area Support Group as it is located on page 25. On pages 15 through 17 under Duties and Responsibilities, 8 places have incorrect references to page numbers for the Service Symposium which is on page 35, and the GSR Assembly which is on page 37.

The Election Term Sheet has been updated and will be included in the minutes. Before RSC we will continue emailing the current Guide to Florida Regional Service.

If you are new to service at Florida Region or have not completed a HRP Volunteer form in the past two years, please visit <https://naflorida.org/hrpform/>. All forms older than two years will be purged from the system

Following are the current open FRSC positions; we are actively seeking and recruiting willing members to serve in the following capacities:

Alt Treasurer – 4 years clean time, 4-year commitment, and fill out an HRP form or have in the last 2 years, works closely with the Treasurer, and helps the Treasurer prepare a financial report due at each RSC.

Corrections Resource Coordinator – 3 years clean time, 2-year commitment, and fills out an HRP form or have in the last 2 years. Serve as the single point of contact between the state and federal correctional officials and

## RSC Minutes July 21, 2024

institutions, within the Florida Region, for the purpose of carrying the NA message of recovery to the addict who still suffers behind the walls of state and federal correctional institutions.

Technology Alternate Resource Coordinator – 3 years clean time, 4-year commitment, and fills out an HRP form or have in the last 2 years. This is a training position to acclimate to the Technology Resource Coordinator position.

Technology Resource Panel (new position) - up to 3 panel members with 4 years clean time, 2-year commitment, up to 2 interim panel members with 1 year clean time, 1-year commitment with no term limits, and fills out an HRP form or have in the last 2 years. The Technology Resource Panel members will lend their knowledge and expertise in their specialties to the Technology Resource coordinators via monthly virtual meetings and may be asked to assist at various Regional functions.

Please refer to our Guide for additional qualifications and responsibilities for each open position; go to <https://naflorida.org/na-resources/>, under Regional Service Committee, and click Guide to Florida Regional Service.

RSO Board is looking to fill 2 open RSC elect positions. Please email Roger S. at [roger4506@gmail.com](mailto:roger4506@gmail.com) for full qualifications and to set up your initial interview with the RSO board before your interview with HRP.

We ask that if you have any questions please do not hesitate to reach out to us collectively or individually.

In loving service,  
The Human Resource Panel of the Florida Region

Jennifer, Kristi, Allen, Dixie, and Mark

To: Florida Regional Service Conference  
From: FRCNA, Inc.  
CC: FRCNA, Inc. BOD  
Date: July 21, 2024  
RE: RSC Report

---

Good afternoon, Florida Region,

## RSC Minutes July 21, 2024

First and foremost, the FRCNA BOD would like to take this opportunity to THANK every one of YOU!!! Our gratitude for this WE fellowship goes without saying and YOU definitely showed up.... planning and execution, pre-registering online, registered on-site, attended, participated, zoomed, volunteered, your enormous self-less service, so many of you who fulfilled commitments, our main speakers, workshop speakers, chairpersons, support committee members, regional and area servants, vendors and most importantly the Newcomers! YOU made this, the most undeniably, absolutely, without a doubt.... the very BEST FRCNA!!!

You inspired us to believe that after 360 days of hard work and commitment, once again, WE can achieve any goal, any time...especially 5 days of FRCNA XLII "When at the End of the Road"!!! WE serve at your pleasure and want to express that we are immensely humbled by the outpouring of love, hugs, excitement, gratitude, willingness, spirit, and patience demonstrated by OUR fellowship. THANK YOU...THANK YOU...THANK YOU!!!

The FRCNA, Inc. BOD met yesterday May 20, 2024, onsite. Our policy was updated when we met on July 1st and which time we updated our best practices and timelines. On July 5th we interviewed 3 BOD candidates for FRSC-elect and the FRCNA BOD President notified the HRP Leader of the candidates we were recommending: Patty K., Mike D. and Dennis J. When the candidates are elected, we are in compliance with our policy of 2 BOD members from each Area.

CFO Report: Our fiscal year ends on July 31st. Current expenditures revealed that we had a decrease in registrations and attendance which gives us an approximate \$20,000 loss of revenue. Coffee was \$18,053.06. We are fiscally prudent going into the next convention cycle for FRCNA 43. Our final accounting and CFO report will be available next RSC.

### Support Committees

We started on Wednesday and ended on Sunday... a long week for all those that volunteered. We received mainly positive feedback regarding the Program, workshop topics apparently were a hit. We had 120 workshop speakers and 62 chairpersons that the Program Team filled within 3 weeks of the convention. There were only 4 chairperson and 2 speakers that needed to be backfilled. The FRSC Service Track facilitated by the Rd & AD Team along with FD was well attended. We feel this is the recipe to place it on the Program on Saturday in the 10AM timeslot for 90 minutes. The main speakers all spoke for a minimum of 45 minutes and we received positive feedback and the fellowship really liked our 2 Regional speakers the most! If you or someone you know would like to be a workshop speaker next year, We made sign-up sheets available in each workshop and you can always email [info.frcna.com](mailto:info.frcna.com), clean time requirements are 4 years to speak. Marathon is always available for members who are not registered and there were a couple of Marathon meetings that were medallion celebrations. We are considering changing the name of the Marathon meeting to FRCNA Open Discussion Meeting from 6AM – 12AM.

The Serenity Keepers & Greeters were everywhere, if you wanted a dog vest, you were asked to do service, one of the recovery houses, Project 108 all signed up to be Greeters or Serenity Keepers. This was the best Serenity Keeper & Greeters chairperson ever and she worked closely with the Program Team to ensure that everyone attending the convention was wearing a badge.

Registration went smoothly and our experience since streamlining our process with the Square registers and online pre-registration is cost effective and positive. We had very few members compared to last year that were unwilling to pay for registration. How did you like that swag in your pre-registration and registration packets? Pre-registration for FRCNA 43 is online only this year and was launched Saturday night. Our July Special is only \$50 until 5PM on July 31st. The hotel booking link is also up on the Venue tab to book your room. Onsite registration for FRCNA 43 will be \$70.

## RSC Minutes July 21, 2024

Hospitality/Escape Room, our members like to be busy with puzzles and card games as well as drinking coffee and socializing in the Hospitality room. The Escape Adventures, there were 2 Adventures on Friday and Saturday were a HUGE hit. There were teams of 4-8 and two winning teams, 1 Friday and 1 Saturday. The Escape Room which was one each on Friday and Saturday nights and an ENORMOUS hit! The teams were locked in a room, a live immersive and interactive with a set of clues and one member handcuffed to a table and whoever escaped in the least amount of time, won. The winning team was all girls of which 2 of the 8 members were newcomers. Thank you to our Recording Secretary/Program Co-Chair did a fantastic job putting together the scripts and clues for the Escapes which were all recovery orientated.

Entertainment which included the dance on Friday & Saturday, Yoga, Auction and Comedy Show were all well attended and a nice variation from workshops and speakers. Thank you to our Zoom Team for an awesome job zooming the Main speakers and Corrections. This was Arlyn's last year providing ASL for the Main speakers, we thank her for her service.

Merchandise went well, the Stanley cups were popular and sold out. The Limited Edition Sunday only t-shirt was launched a little too late. Lesson learned, promo limited edition merchandise earlier.

Don't forget that you can find and follow us on FB, Instagram, Threads and X.

The Service Heroes Banner is awarded to the SUNCOAST Area for the most number of hours volunteering. Bay Area was 2nd and Heartland came in 3rd.

The first Support Committee for planning FRCNA XLIII is scheduled for Sunday 10/20/24 from 10AM-12PM at the Rosen Centre.

It's time to start planning....FRCNA XLIII (43) "Vision Without Limits"!  
Let's GOOOOOO!!!

ILS and on behalf of the entire FRCNA BOD  
Shar S., President  
Stephanie W., Vice-President

**Open:** Meeting opened by Roger at 9:30 am. Started early as non-Board members were interested in attending and wanted to get money discussions done before they arrive.

**Guests** (admitted at 10:12 am): Ernest, Colin, RD Ramon R., Ernest, Carlos, Dez

### Roll Call - Lisa

### Open Floor

- Tim: Invited by some people at Region to join a Workgroup investigating if the Region should separate completely from the RSO.
- Roger is openly inviting people at Region to join our meetings to see what we do and possibly join us in the future.
- Roger spoke to Jim F. and Steve B (former Board member), they are no longer interested in joining the Board but is open for conversations if we need him.
- Colin: Thanked the Board for allowing guests to attend to learn more about the Board/RSO. Sees the RSC and RSO as two very distinct organizations but has been hearing that "we are all one," so wants to learn more to be informed as part of the Workgroup about separating the two.
- Carlos: Thanked the Board for inviting visitors. Is the Workgroup leader investigating the separation. It is not for the purpose of splitting the two, but to better manage the money flow. •

Roger: Would like to allow the guests to ask questions and voice concerns during the meeting, though the technically do not have a voice.

- Joel: Feels that working together is important. Wants to ask the Workgroup: If the RSO is no longer the face of the RSC and they are a separate non-profit, how would that affect the several Areas that are non-profit under the RSO? Would they have to re-file under the RSC umbrella (would be costly for them)?
  - Roger - it will be addressed in the Workgroup.
- Roger: Guido's woodworking items at FRCNA were great. Also recognized Ramon. Discussed how the RSO is managing alternative vendors.
  - Joel - NA Wears has a line of merchandise available through an app that may be a process the RSO may be able to use in the future. Could be a source of "free money." Also in discussion with other vendors.
  - Roger also contacted other alternative vendors (jewelry, CDs, special medallions) at FRCNA about selling their merchandise through the RSO.
- Amanda: QuickBooks person has offered to help the office workers with QuickBooks. • Roger: Offered to post on Indeed (at no cost to RSO) if we need to replace the recently departed office worker.
- Ramon:
  - The Workgroup is looking at a separate VIN to have a separate bank account for business, not to "separate" from the RSO since the RSO is directly responsible to the RSC. Want to have a meeting of BOTH boards to have a discussion and will provide a date for this meeting once determined. The intent is to discuss the roles of both Boards.
    - Roger: We will try to be available once a date is determined
  - How to fix the issue of RSO making deposits for the RSC and letting RSC know where those donations come from so that member Areas can see that their donations have been received.
    - Roger: This is being fixed by Amanda
  - Has RSO corrected the name on the RSC Bank Account? It is listed as RSO, not RSC.
    - Roger: Chase Bank will not change the account name.
- Colin: Do we know the date of the Workgroup meeting? - Roger: Will have to ask Carlos, we do not know.
- Tim: Concerned that we have issued a trespass against a former 10-year worker. The punishment may have been too severe.
  - Roger: The staff felt unsafe, so the trespass warning was issued.

- **Employee Updates:**

- Ashley works 36-40 hours per week. Ashley continues to excel and show willingness to take on new tasks and duties. Ashley is nearly fully cross trained for all office positions. We continue to delegate new tasks each week and she continues to succeed in every area. Ashley has a positive attitude and has wonderful ideas and input for the office going forward. Ashley has adapted to all office changes with grace and acceptance.
- Terry - Terry has decided to discontinue his employment with the RSO. We appreciate his years of service. Office Staff have adapted to this change in circumstances well. We are still in our adjustment period; however, we look forward to the future of the office.
- Amanda - I am currently working 40 hours per week. I have implemented some new procedures that seem to be working well. Ashley and I are currently working on getting the store put back together from FRCNA. I am overseeing office duties and maintaining accounting duties as well. I have also been assisting more often with customer service as some duties have to be fulfilled in the back office. All has thus far worked out smoothly.
- **Employee Pay & Job Duties** – I had some conversation with Directors of the BOD this week after Terry resigned. We have currently upped Ashley to 40 hours per week. I believe that will help our customers get the attention they deserve as well

as assist with shipping until the position is filled and get her to the goal of fully cross trained. I have suggested that when we hire for the shipping/receiving position it be maintained at 20-25 hours per week. That will leave us within a 4-hour range of previous payroll hours. I would like to also suggest how beneficial it will be to have someone on staff who has the competency, capability, willingness and desire to be cross trained for all office positions. This would relieve the pressure of one person in the front office if we are on vacation or out ill. In the spirit of rotation, I do feel it will be most beneficial to all staff and the RSO. I would also like to suggest that we raise Ashley's pay to \$14.00 per hour. I believe that she has earned this raise and then some with her dedication and willingness to best serve the RSO.

- **Waste Management/Quotes** – Ashley will be presenting some information on our current waste management contract and a quote she obtained through Five Star.

Discussion:

Would save about \$107/mo to change providers. Roger will contact the company to facilitate transition of companies. If we can break the current contract without financial consequences,

Board agreed to change to the new provider.

- **A/R Collections and Credits** – Ashley is maintaining the duty of account collections. We have multiple accounts with large credits from years past. Ashley has dwindled the list of outstanding A/R accounts from some \$20,000 or more down to an outstanding balance of roughly \$3,000.00 with at least 4 accounts that collections attempts have been unsuccessful.
- **BOA CD** – I have updated the Bank of America CD information. CD ending in 4705 has a balance of \$12,668.43. The APY is set at 4.00%. The maturity date is 7/13/2024. There is a 4 month term for this CD. CD ending in 0316 has a current balance of \$10,052.18. The APY is set at 0.05%. This CD is on a 12-month term. The maturity date is 7/25/2024. This CD was automatically renewed on 8/1/2023.

Roger will contact the bank to try to get a higher yield CD for 0316.

- **QuickBooks Training and Updates** – Ashley and I have a woman who has been helping us with some accounting training and clean up of QB data. She is amazing and it has been more than beneficial for both of us to have hands on training with our own QB file. I have had Ashley sit in on all the time that Lynda has been in office. In hopes that she too will benefit from the training. Currently, we have had a conversation with Tim about potentially doing a subscription to Team Viewer for remote access or beginning the use of a host company for our QB file.
- **Website** – Tami has identified some things that need to be cleaned up on our website. I have some notes on things we have discussed such as the Purpose statement being duplicated on the about page and we have recently added a donation key at checkout. We are working to add a donation key on the homepage as well, so our customers may donate without a purchase. Said donations are member donations to the RSO directly. We have also identified some products that need pictures added and products that need to be added. I will be working with Ashley soon to teach her those tasks and many more including website management for the User end of the site.
- **FRCNA** – We had a total Cash Deposit of \$4,554.36; there was a total credit card deposit of \$12,678.19. That brings us to a total of \$17,232.55. Ashley and I are finishing up on inventory check in and will update this number in the event something changes. We spent a total of roughly \$650.00 for transportation to and from. That was my quoted amount, I have yet to receive the invoice. Our hotel expenses this year were a total of \$2,622.76. We paid a total of \$2,834.00 for woodworks. We paid \$550.00 for the lanyards. Our inventory invoice totals the amount of \$12,597.90. There is a total of \$20,741.22 in expenses and total deposits of \$17,232.55, which includes all RSO Merchandise sold. Bringing us to a grand total for FRCNA Profit/Loss of \$-3,508.67.
- **Region Donations & Updates** – At this time Ashley and I are working on some QA for the Region funds transfers and deposits. I also have been asked to gather all the check copies and other information for Dannette, I will be working on this in the coming week. We are currently set up to make deposits directly into the Region Acct. The amount of funds we have deposited thus far from 5/13/24 to the current date is \$3,782.20.

Roger:

recommended providing the information requested but invoice them for the hours needed to gather the information.

Tim: How many transactions for Region business come via credit card. Amanda says credit card business has pretty much stopped, though still getting paper checks. Asked to note which ones are credit cards and request the 4% fee be reimbursed.

Joel: Do we itemize the donations for Region: Amanda- we did not in the past but have begun to do this.

- The minutes from our last meeting are posted in Teams.
- I believe this will be my last meeting. I joined the Board in July 2022 and agreed to a 2-year term. It was my intention to stay on, but my situation is very different now than it was 2 years ago. I am not able to agree to another term. Thank you for allowing me to serve.

### **Treasurer's Report - Tim**

- Report submitted and discussed. **See Addendum.**
- Revised the Profit and Loss report to make it easier to read.
- Bank reconciliation needs to be updated and inventory at cost needs to be adjusted before sending to accountant.
- Show a net loss for the year
- Darla is off the books. If we recover any more from her it will be recorded as income. • Some discrepancy in proof of cash report is believed to be a reflection of Region money as we were still receiving and sending money for them.
- The problem is that we lose our profit margin when we offer a discount that negates the discount we get from World.
- Discussion ensued about how to get each line-item on inventory resolved. **Board voted to authorize overtime to get this done.**
- Discussion ensued about an employee issue that became unpleasant resulting in the dismissal of the employee. He will be paid his actual work time and the balance of his vacation pay (40 hrs).

### **Office Manager's Report - Tami**

- FRCNA was awesome. Tried to increase RSO traffic (raffle, etc.) seemed to be successful. • Amanda has continued to be a rock for the RSO.
- Things we will be doing differently
  - Implemented a time clock
  - Amanda/Ashley team working on accuracy and timeliness of orders
    - Starting to take pictures of (at least large) orders for accountability.
    - They are working on changes/processes to save money
- Up for re-affirmation in July but will be in Virginia. Will try to be on-line at Region for the vote. IF not, hoping that the RSC will allow the vote to occur in September.
  - Ernest: RSC follows RSO rules for elections

### **President's Report - Roger**

- Board members at-large are elected yearly while Pres, VP, Tres, Sec, are elected every 2-years.
  - Who is interested in staying or not?
    - Roger - willing to do 2 more years Pres
    - Joel -newly elected VP - willing to do 2 years
    - Vernon - willing to do 1 more year
      - Lisa - unwilling to continue - will not be attending RSC in July
    - Tim - willing to server 2 more years as Treasurer
    - Tami - willing to serve 2 more years
    - Vernon - willing to serve 1 more year
    - Guido - willing to serve 1 more year
  - Have 3 open seats on the Board (one is tech)

### **VP Report - Joel (newly elected)**

## **Old Business**

- Tim - Old leased printer is still in warehouse.
  - Roger has left messages and has not heard back.
- Ink cartridge for Tami's work for reimbursement of card printing - taken care of •  
New printer purchased for RSO (does double sided but not legal size)
  - Vernon: Will we need to purchase more paper because of size limitations. The answer is no.
- Roger: Will discuss idea of grants at Region. - TABLED

## **Elections**

- Vice President
  - Joel - elected
- Board Member
  - No Nominations (Colin declined)

## **New Business**

- Do we need to hire another office worker?

## **Last Minute Discussion**

- Ernest: Can RSC Admin@NAflorida.org be added to the Board meeting invitations?
  - Roger: will do
- Roger: Guido - does NAWS know you use the NA Symbol?
  - Guido - yes, a recognized NA Vendor
