

Information for
Forest Area 6th Annual
Spiritual Retreat
2024

What is a “Spiritual Retreat”? The Retreat Committee’s policy states that the purpose of the Spiritual Retreat is to enhance and facilitate NA unity by providing fellowship opportunities and workshops that help break down the walls of isolation that are the core of our disease, known as addiction.

Where is it? This year, the Spiritual Retreat will be held at The Orange Springs Retreat Center in Orange Springs, Fl. This venue provides 8 meals, housing, workshop space, a pool, kayaking, canoeing, hiking and cabin space for meetings.

Below please find more info and pictures.....

The Spiritual Retreat Committee has kept the retreat price down and are offering the same price as the year before. The price for the entire retreat is \$165.00. This is all inclusive with meals, accommodations, use of lakeside equipment, all workshops and other amenities included.

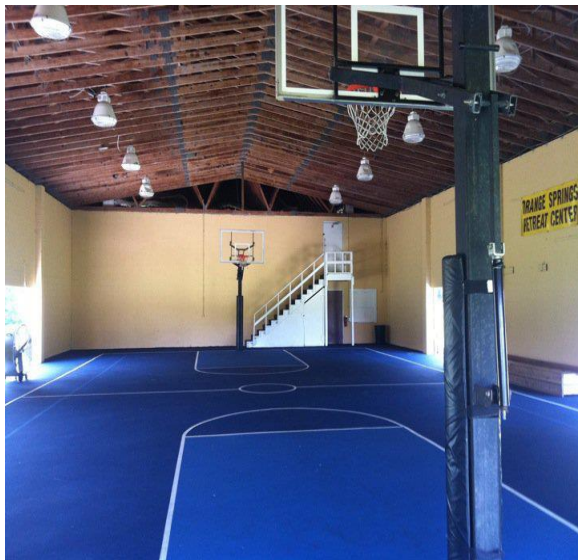

***The Retreat is done at cost!
Scholarships and other expenses are funded by the committee's fundraising activities.***

This year the Spiritual Retreat will incorporate new workshops that have proved successful in assisting participants in overcoming their fears of honest and meaningful sharing of their fears,

hope and strength in a safe and loving environment. These have been borrowed from other powerful spiritual retreats around the N.A. community. Speakers have been chosen based on their ability to communicate thoughtful and motivating personal experiences, using the steps and traditions in their own recovery journey.

Added this year:

- 1. Learning to talk with your inner child. A healing journey to accept and love your whole self.***
- 2. 2) The long hug! Learning to accept love and give it back.***

Lodging: We are blessed to have the facilities to provide separate housing for Men, Women and our members of the LGBTQ community who may be more comfortable bunking with non-binary identified persons. A separate housing facility has been put aside for those with special needs who may have difficulty with ambulation, vision or hearing.

If you are registering for the retreat and have a preference please send a text to 407-409-2606 and put your first name and last initial and your lodging preference, after you register.
