Quorum met 7/7

Open floor

Dave W: Last month we discussed literature distribution. I reviewed policy and the only thing I found on literature was the deadline for when the orders are due.

Chris G: You May have been looking at an older policy. We have updated policies here now.

Jacque: The policy does state the LDO responsibilities. If someone wants to change the literature process a motion needs to be made.

Kim: I was approached at my commitment at the citrus county Jail. They are requesting a zoom PR presentation. I was wondering if this area would be interested. I don't feel nature coast is able.

Trina: Are they looking to have meetings?

Kim: I am not sure about that.

Charles D: I'm willing to do whatever is necessary. I've already spoken with the person that is up for PR chair in nature Coast in regards to our areas working together.

Chris G: I had someone approach me about an alternate secretary position. There is not a position currently for that.

FASC: Had further discussion on creating alternate secretary position.

DJ: Our Last marathon went really well.

This is my last month as activities chair. I will still be a part of activities but we have a good chair and co-chair stepping in. Next activities meeting is January 5th at 6:30 p.m. held at the meeting place.

Helpline/PR report

NA.org/survey

Deadline for survey is January 31st.

Policy report

Chris G: We are passing out updated policy drafts. There is a cover sheet that lists all motions. The policy change motions are highlighted.

Jacque: Because literature has changed hands four times this year I make a suggestion to make an easy report of how much has been spent this year by contacting region for total from the area.

Jacque: Any questions in regards to motions you can contact Chris G or Hayley.

Forest Area Public Relations/Phone line December 2024

Good afternoon we did not attend Marion County Children's Alliance meeting this month the Alliance sponsored a Resource Fair on December 4th of which we did not attend .

We attended the Virtual Regional PR meeting Monday November 11th which is held the Monday before regional weekend where we continue discussions on what outreach looks like and how to more effectively carry the message of recovery as well as what PR events that are upcoming in the other areas in our region.

On November 15 we provided the Florida Department of health with a presentation about our fellowship and our availability as a resource to the healthcare community we provided them with literature as well as meeting list, and we have been invited back to do an annual presentation for them.

On November 28th we attended the South East Zonal Forum PR task Force meeting where we discussed ongoing zonal projects, Facebook and Instagram presence, creating local PSA's, as well as looking forward at working on activities for PR week 2025, and continuing conversations on Artificial Intelligence and how it will be affecting our fellowship

We are still exploring the possibility of providing a presentation for the local Nursing schools in our area.

Just a reminder PR is not just for the professional community it is also internal for our members because WE Are ALL PR !!

There is a valuable tool that is available to both our community as well as the professional community NAWS is now conducting our membership survey which is normally conducted every two years but because for the COVID pandemic in 2020 there has not been one done since 2018 it is important as members that we all take the time to take the survey because it shows our progress and give us hope, of course it is anonymous. You can take the survey at na.org/survey the deadline for the close of the survey is January 31, 2025

Forest Area Public Relations/Phone line December 2024

Our Helpline is operating as designed we had 0 missed calls from November 8th to December 6th we had 3 volunteer lookup calls, 9 meeting look up calls and 1 meeting lookups via text and 0 volunteer lookups via text. I have attached a copy of the metrics for our calls with this report. We are always looking for volunteers if you would like to get into service here is your opportunity, Because WE ARE ALL PR !!

WE want to thank all of our volunteers for their endless work serving both our subcommittees. We meet the first Wednesday of the month a 7pm via zoom meeting address is 547 080 2313 PW 1953 All are welcome.

Thank you for allowing me to serve
Charles D.

Forest Area ASC Chair Closing Report

12-8-2024

Dear Forest Area ASC,

I want to share my deepest gratitude and thanks for allowing me to be of service as your 2024 ASC Chairperson. Thank you so much for your time, help, and patience. Thank you for your support especially when I needed it or when I felt like I fell short. I appreciate everyone who participated in Area each month. Thank you for utilizing the Spiritual Principals of Narcotic Anonymous when bringing things to the table that needed resolution and for helping each other in a loving, caring, kind way. I never felt the stigma of ASC meetings being "negative" this year.

After experiencing the FL Region meeting in September I can honestly say that I am proud of The Forest Area and grateful that I get to be a part of it. I know in saying this that I am not the only one who feels this way. We may be a small Area but we are pretty awesome, even when we lack support in parts of our Area we have stayed strong. All of you are amazing examples of selfless service and you have helped me to stay selfless.

Thank you to each of you for all you have done this year and for allowing me to serve alongside of you. I have learned things this year that will help me in the next part of my journey.

In loving service,

Jacque N.
