Fellowship Development

We had a Forest Area member join us for FD who actively participated in a round table discussion regarding literature for younger members. We would like to put together a visual map of all areas in the region/in FL. Please see me if interested in helping.

Issue Discussion Topics

#1 = Some home groups have been modifying NA-approved literature by using gender-neutral language and replacing "God" with "Higher Power."

Feedback: While this technically goes against the Fellowship Intellectual Property Trust (FIPT), the World Service Office is not enforcing restrictions and is leaving the matter to local areas. Members acknowledged concerns about consistency but emphasized that groups are trusted to act responsibly within the Traditions, as there is no formal enforcement or "literature police" in NA. Is it preventing us from sharing the message?

#2 = Drop in GSR attendance at Area meetings

Feedback: Areas handle group participation at Area differently—some remove voting rights after missed ASC meetings, while others focus on outreach by delivering materials and offering support. One area created a committee to re-engage inactive groups. Incentives to attend ASC, like food (especially pizza) were noted as effective. Long, unproductive meetings were seen as discouraging, and streamlining agendas was suggested to boost participation. Most agreed that groups should stay on meeting lists unless they've stopped meeting entirely, emphasizing support over punishment. Orientation and mentorship for new GSRs were highlighted as effective ways to encourage involvement.

#3 = Suncoast creating a convention

Feedback: Form an ad-hoc committee after receiving a motion from a home group. FD offered willingness to support the process if the Area is not sufficiently supporting it.

#4 = Young people's meetings

Feedback: Discussed having recreational events geared towards younger members, having meetings at youth facilities (such as Arnette House in Ocala), meetings at high schools or bringing young people together virtually. This led to a round table workshop.

#5 = A non-addict helping with a convention subcommittee (spouse of an addict) and a formal complaint was filed by a member.

Feedback: This violates our 7th tradition, he could be paid as a special worker. Most subcommittees have clean time requirements that would ensure that the member is a person with a drug problem.

Forest Area Public Relations/Phone line April 2025

We have followed up with Rasmussen School of nursing, College of Central Florida, Taylor College, Marion Technical College here in Ocala and we are still firming up of dates for our PR presentation for the nursing students before their clinical rotation.

Our subcommittee provided a very productive PR presentation for the Marion County Courts that included representatives from Adult Felony Court, Early Childhood Court, Expansion Drug Court, Juvenile Family Treatment court, DUI court, Teen court, Misdemeanor Drug court, and Veterans court.

Our subcommittee also provided a presentation for the Probation Offices here in Ocala on March 31st which included 16 member of their staff that take care of offenders in the various stages of their involvement with the legal system after their release form custody.

Just a reminder PR is not just for the professional community it is also internal for our members because WE ARE ALL PR !!

We conducted a Joint presentation with our H & I subcommittee on March 10th for the Phoenix House. We also went on a tour of some of the facility at the Phoenix House as well as the new modular for pay unit for men on April 10th

We made contact with Mayor Ben Marciano in January and we are still exploring ideas that would allow our fellowship to get the message of hope and our PSA's out to the public with the Public Information Office here in Ocala.
