Quorum met 6/6

Open floor

DJ: On behalf of the area, we have been having issues with this facility. The pastor has been rude to myself and others. So I do think we should find another place. First Ocala is already moving their meetings from this facility.

Kemar: We could meet at the Meeting Place.

David J: Let's move this discussion to new business.

Sam: Sponsorship brunch made \$271 which was sent back to the area. Our next event is the summer cookout.

DJ: The activities chairperson has not been fulfilling her duties. She has only been to one area meeting since taking the position. She has also been putting all of the responsibilities off on to the vice chair.

Sam: Agreed that she has been doing a lot.

DJ: The chair has also been holding the money and not turning it into the treasurer.

Trina: Being that the chair is not here, is it fair for us to be discussing this?

David J: I spoke with her and she will be here next month. We can discuss it then.

David J: If there is a raffle the price should be recovery based.

Read World service bulletin board.

FASC: Had further discussion on "raffles" wording on subcommittee events.

Trina: RSO.org has raffle packages for cheap.

Policy report

Chris: Our website has the updated policy.

We discussed having a role in nominating regional positions. I did write up a new section in regards to our relations with region.

We're going to begin reviewing policy. Will be asking subcommittee chairs to stay 30 minutes after area to go over their section.

Kemar: I think it's a great idea for the teleprompt and the thing on the back of the receipts but how does that not violate our traditions?

FASC: Had discussion on attraction versus promotion.

New business

Trina: We've been needing more people to step up and service. Are there any ideas on bringing new members into service? We were discussing having a learning day but naming it something different. I've been working on a play to make it fun.

Hayley suggested naming it "The greater the base"

David J: If You're looking to start an ad hoc committee emotion needs to be made.

David J: We need to distribute these donated items.
Tub will go to LDO, First Ocala will take the rest.

DJ: We touched on moving area meetings to the Meeting place. The pastor here has been very rude and didn't even know that we were meeting here.

We could either move to the meeting place or compassions Church.

FASC: Had further discussion

DJ Will be in contact with Mr Horn for the meeting place. Once confirmed we will take a vote in group chat.
