Dj- Last treasurer did not give an end of year report. The storage has not been being paid . I got the late fees taken off and it was not the recent treasurers fault he has been doing what he is supposed to be doing. But we need to be held accountable

Vice chair- How many months were we late on the storage payment?

Treasurer- we were 2 months behind. I am just waiting for the new card to come in.

Policy/progressive- the former treasurer gave a year-to-date report it was in last months minutes.

Vice Chair- are we going to vote on requiring two signatures on checks?

Treasurer- As of right now, No

Boys 2 Men- It will be too hard to get two signatures if someone is sick.

Chair- That is up to the GSR's.

-Motion to waved last months minutes-

Treasurer- I have two questions:

1. Where is the post office? The key that I have doesn't work for the 1st ave post office box so I need the right location.
2. What is the physical address of the storage.

Chair- I will get that information to you.

Treasurer- Can we get a money counting machine? I have looked them up on Amazon and found one for \$100. If you get paid in advance for something I need receipts equally the amount that you received.
